## **Current Post**

Consultant in Gynaecology, The University College London Hospitals. I started this appointment in Sept 1997.

I am a consultant gynaecologist with a major interest in laparoscopic surgery. I carry out a tertiary referral endometriosis clinic and surgical management associated with the care of these women. I set up and run the advanced ATSM in advanced laparoscopic surgery at University College Hospital. In addition, I perform Hysteroscopic surgery on a regular basis.

I also carry out urogynaecology and laparoscopic urogynaecology. I undertake tertiary referrals and surgical management associated with the care of these women. I set up the subspecialty training program at UCH and led the development of the RCOG training program in laparoscopic urogynaecology.

I also undertake laparoscopic gynaecology associated with paediatric and adolescent gynaecology, and general gynaecology. I have published, lectured and taught on my areas of interest and am a Past President of The British Society For Gynaecological Endoscopy and the past Chair of The British Society of Urogynaecology.
