

Input/Output Chart

Name:

Start Date:

For 3 consecutive days please record as accurately as possible the type and amount of fluid you drink in the 'In' column, and the amount of urine you pass in and 'Out' column by measuring the volume in millilitres (ml).

Please also record any urinary leakage by indicating in the Leak Column whether you are:
D - Damp, W - Wet, S - Soaking.

Each day please mark **A** next to the box for the time that you get up and
B next to the box for the time that you go to bed
